NATIVE SPEAKER [US English]

Translation and Management

I've worked with English conversation classes for over 3 years, and use English as an academic in a daily basis, I've wrote papers in English and am currently working on my PhD in English in United Kingdom (distance based).

I have experience and feel at ease in environments relating to publishing, film production, programming and service. I do all of the above in English with a natural way.

General Profile

I have good adaptability, interest in new areas and the tenacity to give a continuous throttle. I was born in Chicago, USA; and raised from age 7 in Córdoba, Argentina. I have always kept studying English, raising my level to a C1 (C2) CEFR standard. I have also learned to read, listen and speak Portuguese in a fluent manner, living in Brazil through 2 nearly years.
